

VODKA PREMIUM SELECTION

Piemonte, Italy

Bèrto

www.distilleriaquaglia.it

Method & Production

Berto Vodka is made from 100% grain spirit. To guarantee greater purity they use a portion of water from Pian Della Mussa (TO), a high altitude source in Balme (around 1900 m), in the province of Turin, north-west of Piemonte. They have plots of land there where they also grow Genepy, Gentian (collected spontaneously) and Wild Thyme for their line of Alpine liqueurs. Distilled once to maintain the aromas.

Tasting Notes

A classic, soft and smooth vodka, very versatile for all cocktails. Example:

Asti Mule

40 ml Bèrto Vodka

20 ml Liquore allo Zenzero – Quaglia

10 ml lime juice

120 ml ginger beer
