

COLLI TORTONESI TIMORASSO

Piemonte, Italy

Monlià

www.monliatimorasso.com

Method & Production

Manual harvesting of the grapes from vineyards in Monleale. The grapes are cultivated using organic practices but are not certified. Whole bunch maceration before pressing. 40% is fermented and vinified in 20hl oak cask, and 60% in stainless steel tank. Seven months refinement on the fine lees. A minimum of ten months bottle refinement before release.
