

TINTO

Douro, Portugal

Passagem

www.quintadelarosa.com

Method & Production

From North-West facing vines, the estate grown grapes are carefully selected and hand-picked. Vinification in inox. First 2/3 days more focus on pumping over, by the end of the week we only wet the cap. Once fermentation is over, the wine is moved to French barriques to mature for 12 months.

Tasting Notes

Intense ruby colour. This wine shows complex aromas of woodland fruits, violet notes, and some vegetal hints. On the palate it is very generous, with excellent length and vibrancy.

Food Matching

Venison, steak, and blue cheese
