

TERLANER CUVÉE RISERVA 'NOVA DOMUS'

Trentino-Alto Adige, Italy

Cantina Terlano

www.cantina-terlano.com

Method & Production

Manual harvest and selection of the grapes; gentle whole cluster pressing and clarification of the must by natural sedimentation; slow fermentation at a controlled temperature in big oak barrels (30 hl); partial malolactic fermentation (Pinot Bianco and Chardonnay only) and aging on the lees for 12 months in big wooden barrels; blending three months before bottling.

Tasting Notes

Fresh light yellow with slightly greenish nuances. This cuvée has a multifaceted structure with a hint of herbs and spices, including aniseed, mint and sage, as well as nuances of fruit aromas, especially apricot, mandarine, honeydew melon, maracuja and passion fruit, all underpinned with salty mineral components. On the palate, Nova Domus is complex and delicate, offering a creamy softness in an interesting symbiosis with an aromatic minerality, and has the texture for a very long finish.

Food Matching

Harmonizes very well with caviar and a good pairing with grilled salmon steaks and fried tuna, fiorentina T-bone steaks, saltimbocca alla romana or braised knuckle of veal; also with a parmigiana with aubergines and truffle fondue.
