

VALDOBBIADENE DOCG PROSECCO SUPERIORE 'BOSCO DI GICA' - HALF BOTTLE

Veneto, Italy

Adami

www.adamispumanti.it

Method & Production

Vinification: light pressing with bladder presses, settling of must, fermentation at controlled temperatures (18-20 ° C) with cultured yeasts. Contact with fine lees in stainless steel for three months. Second fermentation "Italian Method" in steel pressure tanks. Second fermentation temperature 15-17 ° C. Cold tartrate stabilization (-4 ° C). Tight filtration before bottling to remove spent yeast from the sparkling wine. Cycle length: approx. 40 days.

Tasting Notes

Straw yellow color. Creamy mousse and delicate, long-lasting bead. Rich on the nose, with excellent fruit, releasing scents of yellow apple and peach, with notes of wisteria and acacia blossom. Wonderful balance and elegance complement a pleasurable crisp spiciness. Delicious vein of acidity on the palate, displaying crisp, savory mouth feel. Generous, lingering flavors nicely mirror the nose and achieve perfect balance.

Food Matching

Ideal as an aperitif, but also a wine to be enjoyed throughout a meal. Excellent with fish, shellfish, and other seafood. Goes well with any light, delicate dish.
