

Product Fact Sheet December 2025

# GRILLO 'ROCCE DI PIETRA LONGA' - ORGANIC

## Sicilia, Italy Centopassi

### www.centopassisicilia.it

#### Method & Production

Manual harvest occuring in the second half of August. Fermentation is done at a controlled temperature for 45 days. The wine is then transferred to steel vats for nine months of maturation on its lees before bottling.

#### Tasting Notes

Gold colour. Aromas of yellow peaches, ripe citrus fruits, mimosas, raw hazelnut and light fume' notes. Structured and soft with vibrant acidity and minerality.

#### Food Matching

Grilled jumbo shrimps.
