

## GENZIANA SUPERIORE

Lazio, Italy

Colazingari Liquori

[www.colazingariliquori.it](http://www.colazingariliquori.it)

### Method & Production

Gentian root is infused with alcohol and sugar in tank for at least 24 hours. Then the infusion is double-filtered and bottled before it's ready for release.

### Tasting Notes

For those who love a discrete, balanced bitter, a beautiful infusion of gentian root. Clear light brown in colour. Sweet, bitter and persistent.
