Method & Production

Les Nazoires is a plot located in Chambolle-Musigny. This very special soil, combined with century-old vines, produces top Pinot Noirs. The estate grown grapes are hand-harvested. Three weeks maceration. Alcoholic fermentation in fiber tank and malolactic in oak, using indigenous yeasts. Ageing in oak barrels for 15 months. Two months bottle refinement before release.

Tasting Notes

Elegant and finely structured, this wine exemplifies refinement and finesse. It unveils generous aromas of raspberry, candied strawberry, violet, and subtle hints of undergrowth. On the palate, it is supple and fleshy, supported by fine, well-integrated tannins that contribute to its graceful texture. While low in acidity, it stands out for its roundness and richness, offering a harmonious and expressive profile.

Food Matching

Bresse capon or slow-roast lamb
