Method & Production

The Quaglia Italian Classics were created with the aim of rediscovering family recipes, handed down from generation to generation since the early twentieth century, drawn from the passion and experience of four generations. This Amaretto is made from an infusion of bitter almonds with alcohol, together with a selection of herbs and spices and sugar.

Tasting Notes

Amber colored, with a soft, fragrant and velvety taste. The elegance of the almond oil delights the palate, accompanied by the final fruity and vanilla notes. Excellent at the end of a meal, perfect on ice cream and in cocktails.
