Method & Production

This Martinez is a premium quality, pre-mixed, barrel aged cocktail. It is part of a collection in collaboration with the famous Jerry Thomas Speakezy Bar in Rome. Made from Vermouth Rosso, Old Tom Gin, Angostura Bark Infusion and Maraschino. The light barrel aging is really soft, just enough to make the products smoother, through the use of old barrels.

Tasting Notes

Burnt honey colored, well balanced, lush and round, with a hint of sweetness as a catchy twist to the gin and vermouth combination.
