

MERLOT FRIULI COLLI ORIENTALI FILIP

Friuli Venezia-Giulia, Italy

Miani

Method & Production

Organically farmed vineyards. Hand-harvesting of the Merlot grapes. Fermentation using selected yeasts in French oak barrels. 24 months aging in French oak and 5 months in steel. 8 months bottle refinement.

Tasting Notes

“Hard to find; only 8,000 bottles are produced. A big wine, still tightly bound, intense and intricate. The aromas and flavours are broad and deep. Alcohol is high, but integrated. Decant for a good while and drink now if you must, but I’d wait at least two years.” Emily O’Hare, Friuli reds – Expert choice, Decanter Italy 2013
