

Product Fact Sheet July 2025

MALVASIA-CHARDONNAY

Abruzzo, Italy

Ortonese

Method & Production

Soft crushing and pressing of the grapes, slow fermentation at controller temperature at 18°, in order to avoid loosing the noble perfumes.

Tasting Notes

Pale straw colour, medium bodied, well balanced acidity with aroma of banana and figs. Fresh wine, balanced and persistent. A wine made for young drinkers, with enough experience, that are seeking good value for money

Food Matching

Ideally served at 12-14 °C. Excellent with starters, fresh cheeses and white meats.
