Method & Production

Orange Liquor
Bottled in France in 2021
Just 510 bottles made

This Orange Liquor is made by combining Cognac, Armagnac, and very old brandy with natural ingredients, enriched by aging in wood for 3 years'

Tasting Notes

The nose opens up with deep orange tones, complemented by oregano, sesame, and delicate whisps of vanilla and freshly baked croissants. The palate is a well-combined symphony of fruity and complex flavors of hazelnut and candied orange bonbons.
