Method & Production

Estate grown grapes, both machine and manual harvest. Controlled fermentation in stainless steel.

Tasting Notes

Bright, clean, and aromatic, this wine opens with fresh notes of gooseberry and yellow apple, accented by a subtle hint of dried hay. The palate is crisp and lively, driven by refreshing acidity that lifts the fruit and adds precision. Citrus tones—lemon zest and grapefruit—balance a delicate touch of sweetness, creating a harmonious finish.

Food Matching

Girlled chicken and salads
