

Marco & Rosa

MARCO E ROSA
Sicily, Italy

A project born between friends, rooted in Sicily and shaped by a shared devotion to its land, its people, and its wines.

Working closely with growers across the island, this selection includes indigenous and international varieties; Grillo, Chardonnay, Syrah, and Nero D'Avola. These are wines that are not only expressive of place but made with care for the land that sustains them.

Beyond the liquid, this is a project grounded in collaboration and creativity: between growers, makers, and those who bring these wines to life. Each label explores the connection between people, nature, and art, an evolving, intertwined narrative that reflects Sicily itself: layered, vibrant, and full of life.
