

*"I'm absolutely smitten with these wines. While from a warm and dry vintage, their balance is impeccable, with the Sauvignon Casa Rossa leading the pack. This tasting also included the Merlot Filip and Buri from 2020. Let's just say that they were worth waiting for. Anyone who doubts the importance of Merlot in Friuli need only visit this address for a tasting.. The willingness to declassify wines and strive only for the absolute best in every vintage sets Miani apart. This remains one of the absolute best estates, not just in Friuli, but in all of Italy." ## MIANI

Friuli Venezia-Giulia, Italy

Miani's Enzo Pontoni is one of the best producers of white wines in Italy. His white (and red) wines have become absolute cult wines owing to a remarkable depth of flavour and concentrated texture, though they are never heavy or unbalanced.

In the Colli Orientali DOC, Miani sits on a hilly slice of the Udine province near Italy's border with Slovenia. On a total of 13 hectares (4 are family owned), they cultivate Chardonnay, Sauvignon, Malvasia, and Friulano, as well as, Merlot, Cabernet Sauvignon, and Refosco dal Peduncolo Rosso. The vineyards are situated at an altitude from 100 to 300 meters above sea level, and the vine density is kept relatively low at 3000 plants per hectare. In the winter the vines are mercilessly pruned and the drastic green harvest leaves one or two bunches per vine. It is clear that revenue and profitability have never entered this winemaker's agenda, while the manicured vineyards show intense passion for viticulture.

Enzo took over the family winemaking business after his father had passed away. Leaving his engineering career in order to dedicate himself fully to his new passion. At almost 7 feet tall, Enzo has a commanding presence and does not compromise when it comes to making wine: each year he only produces 9000 bottles, and all according to rigorous organic farming methods. He ages many of his wines in French oak barriques, and does not interfere with the natural temperature of fermentation.

His reds are complex and decadent, and his white wines are, for many experts, most likely not just the best in Friuli but perhaps in Italy.
