VERUS

Ormoz, Slovenia

www.verusvino.com

Verus (Latin for “true”) is an exciting new winery founded in 2007 and owned by three friends who now produce some of the most exciting white wines coming out of Slovenia. The 12 hectare vineyards are located around Ormoz in the appellation of Styria (Stajerska) on the Jeruzalem-Ormoz hills close to the Hungarian-Croatian borders. The cool climate here is influenced by the Alps, the Adriatic Sea and the Pannonian Plain.

The wines are true expressions of each grape variety and are bottled under screw cap with an exquisitely designed label. Their inaugural vintage 2007 received much acclaim from the press and wine writers and previews the future success of this young dynamic winery.

*(Sauvignon Blanc 2025) ‘A great example of why Eastern Slovenia is a special place for Sauvignon. It’s beautifully expressive with jasmine, fresh cut grass and a touch of crushed nettle on the nose. It’s nicely juicy, with a touch of passion fruit, mineral and pure, with mouthwatering zippy freshness.” **92 points, Caroline Gilby MW, Decanter (March 2026)***
