(Sämling Trockenbeerenauslese 2004) "Lime leaf tea, pink grapefruit and ginger spice, with toasty mature flavours, including honeycomb and roasted peaches, rich and sweet with an almost bitter herbal twist and a saline tang." 96 points, Gold Medal, IWC 2024

(Sämling Trockenbeerenauslese 2012) "Intense aromas of dried apricots, pineapples, honey, walnuts, orange salve and lemon zest lead to a voluptuous intensity and endless length. Luscious and delicate at the same time imposing and flinty." 95 points, Gold Medal, IWC 2024

"Hans Tschida is a sweet wine legend with very few peers. It's an enormous privilege to taste his world-class wines every year" Sweet Winemaker of the Year 2022, Tim Atkin MW, Co-Chairman of the IWC (June 2022)

Neusiedlersee, Austria

Hans Tschida is a "stay at home" winemaker, who greatly enjoys tending to his 40 hectares of vineyards, 70% of which is dedicated to white grapes for sweet wines, in the quaint winemaking town of Illmitz on the right bank of Neusiedlersee. It is a place that seems to have been created to produce great sweet wines, with foggy autumn mornings giving way to dry sunny afternoons, producing perfect conditions for the development of noble rot (*botrytis cinerea*).

The winery believes in the philosophy that "Every grape variety, every situation, every vintage is different and requires a lot of experience and tact. All vintages enrich our cellar, our creativity and our becoming". They produce a full range of wines, right up to the luscious delights of very sweet wines like the Trockenbeerenauslese (TBA), for which Hans Tschida is perhaps most famous.

Hans Tschida embraces and has risen to the "challenge" of producing sweet wines. In 2024, his hard work and commitment to absolute quality was recognised once again as he was announced "Sweet Winemaker of the Year" for the tenth time at the International Wine Challenge (IWC) industry awards.
