*"Hans Tschida is a sweet wine legend. The consistency and quality of his wines are truly inspirational. It's a pleasure to taste them (blind) every year. He fully deserves this award, which he has (almost) made his own over the years. Many congratulations!", Sweet Winemaker of the Year 2021, Tim Atkin MW, Co-Chairman of the IWC (June 2021)*

Neusiedlersee, Austria

Hans Tschida is a "stay at home" winemaker, who greatly enjoys tending to his 40 hectares of vineyards, 70% of which is dedicated to white grapes for sweet wines, in the quaint winemaking town of Illmitz on the right bank of Neusiedlersee. It is a place that seems to have been created to produce great sweet wines, with foggy autumn mornings giving way to dry sunny afternoons, producing perfect conditions for the development of noble rot (*botrytis cinerea*).

The winery believes in the philosophy that "Every grape variety, every situation, every vintage is different and requires a lot of experience and tact. All vintages enrich our cellar, our creativity and our becoming". They produce a full range of wines, right up to the luscious delights of very sweet wines like the Trockenbeerenauslese (TBA), for which Hans Tschida is perhaps most famous.

Hans Tschida embraces and has risen to the "challenge" of producing sweet wines. At the 2013 International Wine Challenge (IWC) his hard work and commitment to absolute quality was fully recognised with 19 medals and 5 trophies including Dessert Wine of the Year and Sweet Winemaker of the Year. Today he has won "Sweet winemaker of the year" an incredible seven times in total.
