

LIQUORE DI ROSA (ROSE LIQUEUR)

Piemonte, Italy

Antica Distilleria Quaglia

www.distilleriaquaglia.it

Method & Production

This elegant and fragrant rose liquor is obtained from the distillation of fresh rose buds into a current of steam in order to extract all the natural aromatic compounds.

Tasting Notes

Fresh and fragrant rose flavors, with a hint of white flowers, a refined liquor with long floral persistence.

Food Matching

To be served at the end of a meal or it works beautifully as a base to many classic cocktails.
