

Product Fact Sheet April 2024

# LIQUORE DI ROSA (ROSE LIQUEUR)

# Piemonte, Italy Antica Distilleria Quaglia

### www.distilleriaquaglia.it

#### Method & Production

This elegant and fragrant rose liquor is obtained from the distillation of fresh rose buds into a current of steam in order to extract all the natural aromatic compounds.

#### Tasting Notes

Fresh and frangrant rose flavors, with a hint of white flowers, a refined liquor with long floral persistence.

## Food Matching

To be served at the end of a meal or it works beautifully as a base to many classic cocktails.
