Method & Production

This Americano is a premium quality, pre-mixed, barrel aged cocktail. It is part of a collection in collaboration with the famous Jerry Thomas Speakezy Bar in Rome. Made from Vermouth Rosso, Maraschino, Orange Curaçao and Angostura Bark Infusion. The light barrel aging is really soft, just enough to make the products smoother, through the use of old barrels.

Tasting Notes

Dark red. Juicy, bright, refreshing. Cherry and zesty notes perfectly blended with the lingering bitter, roasty notes. A quintessential aperitif.
