### Tasting Notes

A vintage release from Legras et Haas must possess two qualities: a certain austerity that heralds a promising aging potential and an original personality, an unusual character that makes it exceptional. The 2014 vintage from Legras & Haas combines liveliness and aromatic intensity in a balance reminiscent of the greatest past vintages (2012, 2008, 2002). Fresh almond, ripe lemon, jasmine, and a subtle beeswax note are the most evident nuances today. It is a young and promising vintage.
