

MALVASIA

Friuli Venezia-Giulia, Italy

Miani

Tasting Notes

"The 2021 Malvasia is sweetly floral, wafting up with pretty dashes of young peach, pear and candied lime. This is fruit-forward and soft-textured, with juicy acidity casting notes of ripe melon and orchard fruit across the palate. It leaves a salty staining to balance, finishing sapid and spicy. There's power beneath the surface, and a mineral core promises to add further depths over time." **91+ points, Eric Guido, Vinous (April 2023)**
