

PINOT GRIGIO RONCO CALAJ

Friuli Venezia-Giulia, Italy

Russolo

www.russolo.it

Method & Production

The Pinot Grigio grapes are handpicked. After soft pressing with a vacuum press, the must is inoculation with selected yeasts. Fermentation takes place partly in stainless steel tanks. At the end of the fermentation, the wine is kept on fine lees for between 5 to 9 months until bottling.

Tasting Notes

Pale yellow color. It has the typical fragrance of white fleshed fruit as well as acacia flowers. As a young wine the fermentative aromatic notes stand out. In the mouth it is elegantly fruity and well structured. Good balance between acidity and aroma with a long and persistent finish.

Straw-yellow color. Typical white-flesh fruit and acacia flowers on the nose. Aromatic, elegantly fruity and well-balanced. Good acidity and aromatic balance, a long, persistent finish.

Food Matching

Perfect with cured ham, fresh cheeses and all first courses. It also goes well with fish and white meat.
