#### Method & Production

## **Tasting Notes**

Luscious sweet, juicy fruit, balanced perfectly with vibrant acidity. A wine which has so many layers to it, complex, concentrated and very elegant.

"If I had a big enough goblet, I'd fill it up and go swimming in the stuff (with my mouth open, of course)." Best Italian sparkling white wine of the year, Ian D'Agata, Vinous (January 2019)

#### Food Matching

Excellent as an aperitif, it goes very well with any desserts and it's a real feast with Pandoro or Panettone, the Italian Christmas cake.
