Distilled in 2009
From Glenallachie Distillery
Bottled in Scotland in 2021
Selected cask 900332
Just 470 bottles have been produced

Tasting Notes

A hard, mineral, vibrant nose. This whisky clean character and iron personality. In the mouth, the immediate manifestation is metallic. But, unlike its very clean bouquet, on the palate it expands its breadth and length with a lingering, dusty grip.
