

## VERDICCHIO DEI CASTELLI DI JESI CLASSICO 'COSTA VERDE' - ORGANIC

Marche, Italy

Tenuta di Tavignano

[www.tenutaditavignano.it](http://www.tenutaditavignano.it)

### Method & Production

After working organically for many years, Tavignano are officially certified from the 2019 vintage onwards. The Verdicchio grapes are hand harvested, and after a soft pressing of the grapes, fermentation takes place in stainless steel. The wine then spends a minimum period of two months refinement in bottle before release.

### Tasting Notes

Fresh fruit aromas such as white peach and floral notes on the nose. On the palate it shows typicity with citrus fruit, stone fruit and a slight bitter almond aftertaste.

### Food Matching

It works exceptionally well with light seafood dishes or white fish dishes
