

# LIMONCELLO DI AMALFI

Campania, Italy  
Terra di Limoni

[www.terradilimoni.it](http://www.terradilimoni.it)

## Method & Production

Made from an infusion of Amalfi Lemon zest and alcohol, after which sugar is added.

## Tasting Notes

Made from "lo sfusato" a typical type of lemon grown on the Amalfi Coast.  
These lemons unify the delicate flavours and sunshine of the Amalfi Coast and are IGP (protected geographical indication) certified.

## Food Matching

Served as a digestive, at the end of a meal.
