### Method & Production

Speyside Single Malt Scotch Whisky  
From Glenlivet Distillery  
Bottled in Scotland in September 2018  
Cask 77205  
Just 168 bottles produced

### Tasting Notes

On the nose, there are fruity tones of banana, apple, and apricot with Mediterranean fragrances. After a graceful, delicate opening, it gives way to more pungent notes of spice and slightly burnt scents. A concentrated palate of fresh hay and new blooms mingled with fresh orange and cake, then herbal notes of myrtle, basil, and marjoram.
